LUXURY WITHIN REACH

ABOUT KITCHINO

Kitchino LTD. was established in 2014 as a modern kitchens' manufacturer. We design and manufacture modern kitchens, Dressing, and since 4 years we started to produce the full modern furniture package. Kitchino started with one showroom and one factory in Hurghada, now we have 4 branches; 1 in Red Sea "Hurghada", 2 branches in New Cairo "5th Settlement"; Silver Star Mall & Park Mall Porto Cairo, and 1 branch in Sheikh Zayed (Opening Soon). Through a focused and strong improvement plan, we succeeded to import the most recent machines to double the production capacity and provide the highest finishing level.

Using the recent technologies we succeeded to think and create a new smart generation of kitchens and furniture. Materials were selected carefully and to highest German standards.

ABOUT KITCHINO

Before taking any step forward, we decided to think from our “customer” point of view, and try to evaluate the product as a customer who is looking for the best quality with the most competitive prices, therefore we decided that the main concept is to sell a tailored product to meet each customer’s need and requests, and in order to achieve this; we hired a professional teamwork of designers to create and develop the main concept, and we provided the high technology environment to help our team creates and innovates, and we still enhance and encourage our team to move forward to be always on the top and meet our customers’ expectations.

KITCHINO ELITE

Kitchino provides the full furniture package through “**KITCHINO ELITE**” collection.

A full modern furniture collection inspired by clients’ needs and imagination, here our role comes to bring all these requirements and imagination to reality.

Kitchino provides Kitchens, Dressing rooms Coffee corners, bathroom units, TV cabinets, master bedrooms, Children bedrooms, Dining, living rooms, and additional items like consoles, shoe units. The next photos are from clients’ place and after delivery and full installation.

Why Kitchino

One of the factors why Kitchino is one of the pioneers in Kitchens' manufacturing industry is that we always seek our customers' satisfaction, it energizes us to create and innovate
