About us

Crafting Innovation since 1974

Eng. Abdelhady Abdelmoneim and Eng. Samy Fahim began Multi M Group in 1974. From humble beginnings in a rented workshop in east Cairo, came an engineering works that was to prove a trailblazer.

The furniture was designed to be durable yet economical, but it was more than that, because it was stylish too.

Always being ahead of the curve, Eng. Abdelhady was quick to notice the impact computers were having on the workplace in the 1980s, and from this born Mohm; a line of stylish, durable and ergonomic office furniture manufactured to global standards.

Today Mission

In the past, Work used to systematic, traditional and routine, office furniture focused on muted design that cultivated a one-track-minded. Nowadays, the nature of work itself dictates the office experience as a whole.

Work is evolving to become a source of passion, inspiration & diversification. Now we are embracing individuality, because everything's become digitized, positions are specialized and employees' needs are diversified.

With MOHM's new flexible furniture, we have evolved into the ultimate office furniture maker and embrace the change. Work from home has become part of norm now and there is a new place to fill.

The more comfortable your employees are, the more productive they become.

Production & Innovation

Mohm operates six factories in Egypt, each fitted with the latest, state-of-the-art manufacturing equipment to ensure consistent, timely, quality production around the clock. The Metal Factory is equipped with latest high technology machinery, including three CNC multi-punching machines, two CNC multi-bending machines and two powder-coating lines. The Wood Factory operates two production lines, a panel line and a massive line. The factory is equipped with the very latest CNC multi-drilling machines, board cutting and paint lines as well as the latest edge-banding machine.

Mohm's School Furniture Factory is equipped with multi-bending machines and the latest welding CO2 equipment and a powder coating line to ensure rapid, constant production of desks and chairs.

The Plastic Factory is equipped with a high technology plastic injection machine capable of creating the unique, custom designs that Mohm has become famous for. The firm's Upholstery Factory is equally equipped with high technology machines and skilled workers to provide quality finishes to all Mohm upholstered lines.

Mohm boasts one of the most modern, state-of-the-art manufacturing facilities in Egypt. Located in east Cairo, the company operates a 90,000 m² production facility run by a team of highly skilled and experienced engineers, operators and craftsmen. Utilizing the latest computerized technology to create precision-built items and customized products for projects in a variety of scales. We employ a sophisticated system that ensures accuracy of information of raw materials required, items being produced and warehouse control.

This system guarantees a smooth operation between the different factories and the warehouses. More than 100,000 office units are produced each year, built from the very best in raw materials, as thousands of square meters of wood, metal, plastic and fabric pass through the factory.

Logistics & Distribution

Mohm understands that every order has a strict delivery timeline and that our clients are often eager to receive their new units as soon as they come off the production line. This is why Mohm operates a modern fleet of nearly 70 vehicles, including delivery trucks of various sizes and specifications, to ensure a flawless and timely delivery for every order.

For overseas customers, we have developed strategic alliances with international and local shipping agencies to ensure that our export business dispatches as efficiently as our domestic business.

Whatever the order, big or small, you can be sure that we will carry it to your door with all the care and attention that we put into crafting it.

Demand for our furniture has expanded beyond the Egyptian market, and we now distribute on a global scale.

Our distribution network enables us to export a wide range of our products to various institutional and business organizations, with global clients including business complexes, banks and educational establishments.

Serving the global market requires a great amount of flexibility and adaptability to cater for the changing demands and different tastes and trends.

Stores

Provides our customers with an insight into the style and innovation that is Mohm, with furniture on show in office and home scenarios pioneering the real-feel display concept in Egypt.

Our sales agents are on hand to offer advice and design experience for making the most of your office space within your budget and in keeping with your brand.

Come and feel the quality and comfort that is Mohm and visit us in Cairo, Giza, 10th of Ramadan, Alexandria, Marsa Matrouh and Assiyut.
